- "Scattered Papers" "أوراق مبعثرة" 600 pages book on health and cultural education published in September 2013

- Mother and the Child care from birth until 10 years (in 22 chapters) First edition.

Research

Research topics focus on, health education, nutrition, child and elderly care, knowledge and attitudes of people and general education, as follow:

- | | |
|------------------|--|
| 2007 | Hypertension |
| 2004 | Development of a new assessment method in college of medicine |
| 2000 | Dyslexia |
| 2000 | Sleep Disturbance in Children |
| 2000 | Properties of lactation |
| 1999 | Nocturnal enuresis |
| 1998 | Sickle Cell Disease |
| 1997 | Biological changes in the elderly |
| 1997 | Perception of schoolteachers about common Health Problem |
| 1997 | School Phobia |
| 1997 | Students' selection criteria and its prediction of students' academic achievements |
| 1996 | Ramadan fasting |
| 1996 | Students' perception about the premedical program |
| 1996 | Disabilities among the Elderly in Bahrain |
| 1991 | Drug usage in the geriatric population |
| 1983 | Breast Feeding |
| 1981 | Incidence of diseases at PHC |
| 1984-1987 | Knowledge and attitude to infant feeding in Glasgow and Bahrain. |

Conferences, Seminars

1-Presentations and chairing sessions

i) Oral presentation

- 2017** Keynote Speaker “Medical Error”. IFM Conference. Dubai, UAE. 6-9 March
- 2017** Main Speaker “Communication in Primary Health Care”. 3rd Wonca, Emro. And Wrkshop on “Family Medicine implementation in the Emro Region”. Abu Dhabi, UAE 2-4 March.
- 2017** Panelist speaker “Challenges to health system”. World Health & Wellness Congress & Awards, Mumbai, India 14-16 February.
- 2017** Main Speaker “Prone & Cones of Electronic Cigarette”. The Global Conference of The Anti-Smoking International Alliance. Kuwait, 1-2 February.
- 2017** Main Speaker “Challenges facing family medicine for universal health coverage”. Universal Health Coverages, WHO EMRO, Kartoum Sudan 23-25 January.
- 2016** Presented “Family Medicine and Shortage of Doctors”. 21st WONCA World Conference, Rio De Janeiro, Brazil. 2-6 November.
- 2016** Main Speaker “ Dawood Alentaki, The Blind Muslim Physician”. International Congress on History of Medicine in Muslim Heritage. Fez, Morocco, 25-29 October.
- 2016** Keynote Forum ‘Effective communication and its role on patients’ health’ In Clinical Case Reports Conference Dubai 20th April
- 2016** Main speaker “Effect of Educators on Smoking Prevention among School Students.” The first Seminar of the Anti-Smoking International Alliance. Dubai 18 April.
- 2016** Main speaker “Shortages of Family Doctors and how it affects the health of the nation” in IFM conference Dubai 17-19 April
- 2016** Keynote speaker about “The issue of shortages of Family Doctors” in IFM conference Dubai 17-19 April
- 2016** Presented “Research in Primary Health Care” and chaired a scientific session the third Wonca Emr Family Medicine congress, Dubai 17-19 March
- 2015** Presented “Challenges facing Family Medicine” and chaired a scientific session in the first International Conference of Primary Care & Public Health, 3rd Congress of Person Centered Medicine. Imperial College, London 29-31 October
- 2015** Presented “Challenges due to Shortage of Family Doctors”. The research day of CMMS, AGU. Bahrain 18 May

- 2015** Key Speaker “Effective Communication Skills”. IFM International Family Medicine Conference, Dubai 25-27 March
- 2015** Presented “The Effect of Training Clinical Skills to Medical Students in The Primary Health Care Centers”. Wonca Asia Pacific Regional Conference, Taipei, Taiwan. 4-8 March.
- 2015** Main Speaker in Dubai initiative conference on Family Medicine” Family Medicine in the EMRO Region” Dubai 13 January.
- 2015** Main speaker in the Familycon-2015 of Pakistan Academy of Family Physicians “Shortage of Family Physicians. How to approach the problem?” Lahore 11 January.
- 2015** Main speaker in the Familycon-2015 of Pakistan Academy of Family Physicians “Family Medicine as a Specialty for the Future”. Lahore 10 January.
- 2014** Speaker in the Regional Consultation on Strengthening Service Provision through Family Practice Approach, By World Health Organization EMR region. “Shortage of Family Physician Specialists; How to Approach the Problem”. Cairo 18-20 November.
- 2014** Key note speaker in the L’histoire des Bimaristans an Maroc et en Andalousie conference, the 2nd History of Medicine conference. “The Role of Avicina in the development of Medicine”. Fas, Morocco, 14-17 October.
- 2014** Presented a paper on “Characteristics of Physician across the ages” in the L’histoire des Bimaristans an Maroc et en Andalousie conference, the 2nd History of Medicine conference. “Fas, Morocco, 14-19 October.
- 2014** Invited speaker in the First National Conference on Arabization, Moroccan Tawassol Society. “The Arabization of Medical Studies in the Arab World”. Rabat, Morocco, 18-19 October.
- 2014** Invited speaker in the six international congress of the International Society for the History of Islamic Medicine. “Dawood Alantaki the Blind Muslim Physician”. Van, Turkey 23-26 September.
- 2014** Presented a paper on the “Health of Workers; Role of Family Physicians” and served as a World Health Organization TO (Temporary Adviser). International Consultation on “Caring for all people: Interventions, Indicators and Health Delivery”. Semnan, Iran 28-30 April.
- 2014** Guest speaker IFM International Family Medicine Conference. “Diabetes Mellitus, the plague of the century”. Dubai 16-18 February.

- 2014** Invited speaker in the deeds of prophet Mohd (PBUH) in medicine conference "Religious perspectives in dealing with AIDS" Shiraz Iran 23-25 January.
- 2013** Key note Speaker in the 12^{ve} Arab conference on modern tools in hospital administration. Arab Administrative Development Organization: "Health of Migrant Workers". Dubai 10-12 December
- 2013** Speaker in the ninth GCC Medical Education Conference "Effect of clinical skill training for medical student in the PHC centers". Bahrain 23-25 November.
- 2013** Speaker in the WONCA Prague. "Effect of clinical skill training for medical student in the PHC centers". Prague 25-29 June.
- 2013** Speaker in College of Medicine and Medical Sciences (CMMS) Arabian Gulf University Research Day 2013 "Proactive role of family physicians: Utilizing all resources to fight all health risks facing the population. Bahrain 15 May.
- 2013** Key note speaker in the second GCC seminar on elderly protection "Ageism and biological changes in the GCC countries- Future prospects. Bahrain 14-15 May.
- 2012** Invited speaker in the 3 Health education conference for Sharja higher council for families, UAE "The effect of Sex on the marital relationship", Sharja, UAE, 19-20 November.
- 2012** Invited speaker in the 3rd International Conference for Medical Sciences, " Role of Family Medicine in fighting health risk factors", Erbil, Kudistan Iraq, 23-24 October
- 2012** Invited speaker in Abu Dhabi 2nd Family Medicine Conference "Proactive Role of Family Physicians: Utilizing all Resources to Fight all Health Risks Facing the Population". Abu Dhabi UAE, 14-16 October 2012
- 2012** Speaker In the third regional Wonca conference for Iberoamericana region. Havana. Cuba. March 12 -16
- 2012** Keynote speaker in GCC medical students' conference "Hypertension: The Silent Killer". Muscat Oman, January 28-31
- 2011** Keynote speaker in Wonca EMR Family Medicine Congress "Family Medicine in the Arab World: Is it A luxury?" Dubai, UAE December 17-19
- 2011** Invited keynote speaker to the 3rd Family Medicine Symposium, King Faisal Specialist Hospital, Jeddah, KSA. "Family Medicine in the Arab World". November 29-30

- 2011** Keynote speaker in Abu Dhabi Medical Congress, UAE "Challenges to Family Medicine in the EMRO region". October 23-25
- 2011** "Epidemiology of Hypertension". Abu Dhabi Medical Congress, UAE. October 23-25
- 2011** Keynote speaker to the 10th Annual Family Medicine Conference. Lebanon, October 14-16. Presented "Epidemiology of Hypertension in the EMRO Region"
- 2011** Keynote speaker to the Eastern Mediterranean Family Medicine Symposium,, Mersin, Turkey 27 – 29 May 2011. Presented a talk on "The importance of emergence and strengthening Family Medicine in Eastern Mediterranean Countries"
- 2011** Keynote speaker and guest of honor for the International Conclave on Unani Medicine, Aligarh, India 25-26 March. Presented a talk on Attitude as instructed by the Ancestor Physicians"
- 2011** "Hypertension; Epidemiology in EMRO Region" Bahrain 2011 Pan Arab and European HTN Conference. Bahrain 11-13 February.
- 2011** "Development of Family Medicine" The International Congress on Reform and Development of the Health Care System in Kurdistan Region, Iraq. Erbil 2-4 February.
- 2010** "Role of Arab Board in Developing Family Medicine" The First Scientific Conference for the Syria Association of Family Medicine in collaboration with WONCA-EMRO, Syria 25-26 November.
- 2010** "Doctor's Attitude as instructed by the Ancestor Physicians" fifth International Congress of the International Society for the History of Islamic Medicine, Istanbul 25-26 October.
- 2010** "Family Medicine in the Arab World. Is It Luxury?". Family Medicine Updates and Clinical Reviews Alain UAE 25 October.
- 2010** "Hypertension: The Silent Killer". Family Medicine Updates and Clinical Reviews Alain UAE 25 October.
- 2010** "Promoting of the elderly health by home visit". 19th WONCA conference. Cancun 19-23 May.
- 2010** "Development of Family Medicine in the Arab World" 19th WONCA conference. Cancun 19-23 May.
- 2010** "Family Medicine in the Arab World? Is it a Luxury?" the 7th GCC Primary Healthcare Conference. Bahrain 3-5, May
- 2009** "Promotion effect of the elderly health via home visit" Second Middle East Congress on Age, Ageing & Alzheimer's: Challenges

- in Geriatric Care in collaboration with Middle-East Academy for Medicine of Ageing. Lebanon, Tripoli 4 - 6, Nov
- 2009** "Historical Perspectives of AIDS" The first International Congress of Forensic Medicine in Iran, Tehran 25-27 May
- 2009** "Family Medicine in the Arab World" The 1st International Conference of Family Medicine. Oman 18-21 January
- 2008** "Fighting Thalassemia, Bahrain's Experience" The ninth International Thalassemia Conference. Cairo 7-8 May
- 2008** "Ethical perspectives in dealing with AIDS" 2nd International Congress of Medical Ethics in Iran, Tehran 16-18 April
- 2007** "Hypertension, the silent killer" International Family Medicine Symposium, Challenges and Changes. King Faisal Specialist Hospital & Research Center- Jeddah 13-14 November
- 2007** "Religious perspectives in dealing with AIDS" First International Congress on Medical Ethics and Medical Law. Problems in Medical Ethics and Medical Law in Organ and Tissue Transplantation. Antalya, Turkey 17-20 October
